Subject: Approval of Reclamation Surety and Reclamation Contract, Randolph Mining, Dusty Mine, S0370063, San Juan County, Utah

Dear Mr. Randolph:

On December 8, 2006, the Director of the Division of Oil, Gas and Mining signed the reclamation contract for the Dusty Mine Project Notice of Intention to Commence Small Mining Operations, file number S0370063. You now have Division approval of the form and amount of surety for the above referenced site. A copy of the executed reclamation contract/surety is enclosed for your records.

Please remember that before you begin mining operations, you must file a plan of operations with the Bureau of Land Management and receive their approval.

If you have questions or concerns regarding this letter, please contact me at (801) 538-5325 or Paul Baker at 538-5261. Thank you for your help in completing this very important regulatory requirement.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
